If you have any questions on this contract, please call Reed Taylor, Division of Purchasing, (801) 538-3709.

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

Pricing will be as follows:

Pricing for index gas will remain Questar index plus .0025 cent per Dth.

Hedged quantities will be added as amendments to contract when executed.
